## **CONDITIONS AND ACTIVITY RULES**

(please go over these with your child)

- No running or boisterous behaviour in the vicinity of the horses.
- Every rider must wear a safety helmet while mounted. Stay out of pens, pastures and paddocks unless accompanied by a Heart Bar Ranch staff member.
- All equipment you use must be put back in its proper place. If you don't know where it goes, please ask.
- The instructor is always the person in charge. Please listen to directions and instructions. All campers are expected to support these conditions and activity rules.
- Horsemanship students will be learning many new skills, which include riding. Feeding, grooming, attending the horse for shoeing and veterinary care, cleaning and repairing tack as well as repairing fences are all part of good horse management. The care and keeping of horses is much more than riding and campers should be prepared to participate in a variety of activities.
- Heart Bar Ranch is "a work in process" and there are often construction and farming projects underway. Please stay out of construction areas and be aware of equipment working.
- During the first session you will be given instructions about emergency procedures and safety guidelines. Please pay careful attention. There will be emergency drills periodically.
- Photos taken by Heart Bar Ranch staff are the property of Heart Bar Ranch and may be used at the discretion of Gail Riederer for promotional and advertising purposes.
- Insurance coverage for personal injury of the camper is the responsibility of the parent(s) or legal guardian of the camper.
